## LOCAL BOWLERS GO TO TOLEDO, O. TODAY

Mishawaka Sends Team of Five Men to International Tournament.

The Mishawaka bowlers, who will participate in the annual national bowling tournament at Toledo, O., left this city at noon today. The five men who will endeavor to uphold Mishawaka's bowling reputation are Eddie C. Ellsasser, J. W. McKen, William Hoerstrman, Fred Farnum and Charles Tramer, who comprise the Ellsasser team, and will bowl in the five men, doubles and singles.

This aggregation of bowlers, while not over-confident, are expected to give a good account of themselves, and will no doubt bring honors to the Ellsasser alleys and to the city as well. They are reported to be in "the pink of condition" and hopeful that they would be successful in bringing home a fair proportion of the prize money.

With South Bend's delegation are five strong Mishawaka men who have heretofore rolled great scores on the home alleys, and whose presence on South Bend teams should help that city to capture more honors than it is expected to. It could have done with only home players. These five Mishawaka men, who for the nonce, have gone over to help an obliging neighbor, are Ernest Beebe, Ernest Lott, Robert Zimmerman, Art Fitzsimmons and Eugene Bauerline.

"The Melting Pot" at Century Theater today.

"The Melting Pot," which is a filmization of Israel Zangwill's great play of the same name, is the attraction at the Century theater tonight.

The story is one founded on historic fact into which is woven a most charming and fascinating love story. Race prejudice is the factor which furnishes the story with spirited action, the reproduction of the massacre of the innocent Jews in the village of Kishineff, being exceptionally realistic. The barbarous cruelty of the Russian authorities is depicted in a manner most startling.

## LADIES' AID SUPPER WAS LARGELY ATTENDED

Over 250 people attended the supper given Wednesday evening by four divisions of the Ladies' Aid society of the Methodist Memorial church in the entertainment parlors of the church. The table decorations were huge clusters of red Killarney roses and ferns. Mrs. C. L. Metzger, Mrs. S. McQuillen, Mrs. A. Swayne, Mrs. R. Stuller, divisions who were in charge of the affair, acquitted themselves with much credit in the splendid repast prepared and served by them.

After the supper a musical program was enjoyed in the Sunday school rooms, the following participating: Leta Newman, Charles Nolan, Miss Ethel Albert, Mrs. V. Grisnar, G. Stauffer and Buchanan. Previous to this supper and program the Ladies' Aid society held its regular monthly meeting. After the devotional exercises, which were led by Mrs. S. Thornton, a short business session took place. A committee including Mrs. S. Thornton, Mrs. A. R. Dibble and Mrs. A. Swayne was appointed to look after the needed improvements in the church basement. The society gave \$100 subscription to be used for church work.

## TRIANGLE-KEYSTONE AT LINCOLN TONIGHT

This will be Triangle-Keystone night at the Lincoln theater, and attractions of more than ordinary merit will be thrown on the screen. One of these, "A Modern Enoch Arden," gives the tramp comedian, Joe Jackson, and his associates many opportunities for displaying their own popular brand of humor. The scenes of the play are laid in the Antipodes and in this country, and are fraught with many interesting, exciting and humorous situations.

"The Beckoning Flame," featuring novel spectacles of the orient, will also be shown at the Lincoln. This is a striking picture of the privacy of life among people of high rank in India, where the action of the drama takes place, and is replete with tense situations. These two pictures are said to be among the best yet photographed by the Triangle-Keystone people.

## NEW MACHINE SHOP TO BE BUILT AT RUBBER RE

The Rubber Regenerating Co., E. Joseph st., is about to add a large machine shop to its already extensive premises. Wednesday afternoon a building permit was issued from the city hall for a new building 80x120 which is to be used for this purpose. The estimated cost of the new addition is given as \$9,000. The company is at present extremely busy in all its departments, the demand for regenerated rubber being on the increase. Especially has this been noticeable since the commencement of the European war. Many additions to the plant have been made lately, including the installation of a large turbine engine, the only one of its kind in the city. The company now has steam, electric and water power to the extent of 3,000 horse.

## OBSERVES ANNIVERSARY.

Mrs. E. K. Van Winkle, wife of the pastor of the First Christian church, was pleasantly surprised on Tuesday night, when the loyal girls' class of the Sunday school gave her a surprise on the occasion of her birthday anniversary. An entertaining program was successfully carried out, and Mrs. Van Winkle received many handsome gifts. Luncheon was served.

## MISHAWAKA HIGH HAS GREAT SEASON

Coach Semeler's Team Win All Games on Home Floor. Athletic Field Promised.

Coach Semeler's basket ball warriors will play the last game of a very successful season Saturday night at the local high school "gym" against Elkhardt, winners of the sectional tournament.

Mishawaka has a very strong team this year, not having lost a game on their home floor. The list of games won: Mishawaka 27, Nappanee 11; Mishawaka 23, Bremen 16; Mishawaka 22, Laporte 16; Mishawaka 23, Goshen 10; Mishawaka 32, Bremen 11; Mishawaka 24, South Bend 17; Mishawaka 36, Michigan City 6; Mishawaka 33, Michigan City 24. Games lost: Mishawaka 17, South Bend 37; Mishawaka 24, Laporte 43; Mishawaka 23, Nappanee 25; Mishawaka 15, East Chicago 36; Mishawaka 12, Goshen 18.

This is a wonderful record considering the obstacles Coach Semeler had to overcome. The game Saturday night promises to be a "hot one" as the local boys were defeated by Elkhardt early in the season and are thirsting for revenge.

Saturday night's game will be the last one before spring athletics are taken up. The students and faculty have cooperated to make it a "big" night. There will be a parade before the game, brass band and entertainment after. Elkhardt will have special care to bring their supporters and there will be keen rivalry between the two bodies of "rooters."

The city authorities have promised Prin. Horton they will fix up Lincoln park for the high school athletic grounds. There will be a quarter mile cinder track enclosing a baseball and football field. This will be a great advantage to the school as they have been much handicapped for the lack of good practice grounds for their various sports.

## MACCABEE MEETING AROUSES INTEREST

At a largely attended meeting of the Maccabees in their hall Wednesday night a campaign for new members, in the form of a contest, was decided upon. As captains of the opposing teams Sir Knights Leshbaugh and Wells were chosen and a spirited contest is assured. A challenge was issued to the St. Joseph Valley Tent, No. 1109, of South Bend, who are holding a similar campaign and will doubtless be accepted. It is expected that a large increase in membership will result. Special inducements in the form of reduced rates and prizes will be offered.

Great Lieut. Commander Turgel, who was present, gave an address. Short talks were given by Sir Knights Baer, Kerr, Moon, Berger, Robinson and Barnes of South Bend. After the business session a fine lunch was enjoyed which was followed by a smoker.

It is reported that this strongest of fraternal insurance orders is at present enjoying a remarkable growth.

PASTRY SALE SATURDAY. The Woman's Auxiliary Missionary society of St. Paul's Episcopal church will hold a pastry sale at O. E. Lang's hardware store Saturday next. Mrs. C. A. Ostrom and Mrs. L. C. Rogers will be in charge of the affair which, it is promised, will be as popular as those that have been previously held by the ladies of the Episcopal church, and that is saying much.

TONSILS REMOVED. Richard Dixon, son of Mr. and Mrs. Herbert Quaintance, E. First st., underwent an operation at the St. Joseph's hospital for the removal of his tonsils Thursday morning.

Committee Appointed to Lay Matter Before Bishop M'Dowell.

Bishop W. F. McDowell of the Methodist body, will be asked by an influential committee of members of the Methodist Memorial church of this city to have Rev. Dr. L. M. Edwards retained as pastor of the church for another year. A resolution to this effect was passed at a meeting of the last quarterly conference held at the local church Wednesday night. The following committee was appointed to present the matter to the annual conference to be held at Fort Wayne beginning March 29: Mayor R. W. Gaylor, D. C. Turnbull, J. R. Woodward, E. B. Byrkit, V. Ludwig and G. A. Studley.

The rapidity of growth in the Methodist Memorial church and Sunday school, was shown in the splendid summary reports presented by the pastor, and innumerable committees at this meeting. According to these statistics the average Sunday school attendance is 688, which is more than twice as many as in previous years. Dr. E. J. Wade, superintendent of the Goshen district, presided over a largely attended meeting.

## "DAMAGED GOODS" WILL BE AT TEMPLE APRIL 5

"Damaged Goods" will be shown at the Temple theater Wednesday, April 5, from 10 a. m. until late at night. A local committee consisting of Mayor Ralph Gaylor, Judge Feig, newspaper men and others, witnessed a private showing of the picture Thursday morning at the Temple and were unanimous in their approval of the film. "Damaged Goods" conveys a moral that can only serve a high purpose. When it was shown in Elkhardt recently it was witnessed by immense crowds which comprised the clergy, members of the woman's clubs and other organizations of a like nature. It had a run of two weeks in that city packed audiences were the rule during that time. Mr. Lambiote of the Temple is to be congratulated for his enterprise in securing "Damaged Goods" for Mishawaka.
